No Mass on Wednesday, Thursday and Friday. I have to be in hospital for an urgent operation on Wednesday, nowadays these things can be done through blood vessels in one's groin but I'll to recover for a few days afterwards. It is to stop my heart and adjust its rhythm, it is going twice the speed it should, after which I might have the energy to celebrate Mass and not want to rest immediately afterwards and even to do a bit of visiting or hear Confessions for longer than ten minutes or read a couple of pages of the Office without feeling burnt out.

Any operation is a bit risky and this one is urgent, therefore of your charity say a few prayers for me and my recovery.

Today is Feast of the Most Holy Trinity

Next Sunday is the Feast of Corpus Christi
