Parish News

Painter and decorator required for our parish. Hours and salary negotiable, please come and see me if you have some experience. Some of the rooms in the presbytery haven't seen a lick of paint for 40 years.

In order to supplement our income we have are offering the basement of the Presbytery as office spaces/workshop space for hire, it has two rooms with its own access, which could be hired for commercial or charitable purposes, either for long term or short term use. We need to raise revenue for our parish to maintain our buildings. Rental rates are negotiable, if you or someone you know requires office or workshop spaces please come and see me or you can email the parish office at **stmarymagoffice@googlemail.com**.

Pray for the repose of the soul of our blind parishioner (Pat Durban-Jackson) who died recently.

Pray for Jamie, one of our younger parishioners, who begins chemotherapy today.

Ash Wednesday marks the beginning of Lent on **14th February**. It is a day of serious **fasting and abstinence**, so keep St Valentine's day on Shrove Tuesday.

Holy Week It would be good to be able to have a choir for our liturgy during the Sacred Triduum of Holy Week. Let me know if you can help.

Bishop Richard invites families to join him on a pilgrimage to Dublin for the World Meeting of Families **22nd – 26th August 2018**. For further details contact **wmof2018@dabnet.org**

Last week's offertory collection: £548.00 of which £136.00 was Gift Aided. This gives us an average donation of **£1.82**. Please be generous, we have important internal and external works to be carried out in addition to the usual bills and need your continued financial support. We really need an average of **£5 per person** just to survive.

We need an organist Do pray, God is good and generous, pray that the Lord will send us an organist to help us to deepen the reverence of our sacred liturgy and give praise to Him in our worship.
